Client brief: Cascade Makers Summit 2026

Client

Cascade Makers Guild, a nonprofit for small makers and craft manufacturers in Oregon and Washington. Contact: Rachel Ostrander, Executive Director, (503) 555-0142.

Event

Two days, Thursday, December 10 and Friday, December 11, 2026, at Alder Point Hall, Portland. 400 attendees: makers, exhibitors, speakers and students. Day 1 ends with a dinner for all attendees.

What the client asked for

Book catering for two lunches and the dinner. A welcome email to attendees. A run-of-show for both days. Accessibility handled properly, because last year a wheelchair user could not reach the exhibitor hall. A short report after the event that the board can read in five minutes.

Budget

Total event budget $148,000, set by the Guild's board. Venue and AV are already agreed (see the venue contract).
